

MORMONS

(A CHURCH OF A JESUS
CHRIST OF THE
LATTER DAY SAINTS)

The Mormon Jesus -

- He was created
- He earned His salvation by good works
- He was one of many gods
- He is separate from God
- He was a married polygamist
- Mary had sex and conceived Jesus

Is this the Jesus of the King James Version?

How can they substitute a false Christ?

**How can Mormons use Christian terms but they reject the
KJV Bible meaning for that term?**

“...when they knew God, they
glorified him not as God ...but became
vain in their imaginations, and their
foolish heart was darkened.

Professing themselves to be wise, they
became fools ...and even as they did
not like to retain God in their

knowledge, God gave them over to a reprobate mind...” Romans 1: 21,22,28

ONCE UPON A TIME...

(a brief history of the early Mormon pioneers who went to America)

After the Tower of Babel about 2100BC, a group went to Central America and were destroyed by corruption.

Another group left Jerusalem around 600BC, before the Babylonian invasion and went to Peru.

These were supposedly the righteous Jews who had Jesus appear to them to give them the gospel, baptism, communion and other mystical ceremonies.

They split into two groups - The Nephites and the Lamanites (American Indians) who wiped out the Nephites. The Lamanites were then cursed with dark skin.

In 1827 Joseph Smith claimed to have dug up golden plates written in Reformed Egyptian hieroglyphics (Roman letters mixed with Greek and Hebrew) and with his Urim and Thummim spectacles, translated them into English in 1830 as the Book of Mormon.

ERRORS OF MORMONISM

1. Taking the word of a 15 year old boy (not knowing the gospel 1 Cor 15:1- 4) saying that the gospel had never been preached from 96AD to 1827AD.
2. Brigham Young ordered the massacre of 150 non-Mormon immigrants.
3. Joseph Smith dug for treasure with divining rods; immoral, polygamous and a liar.
4. Roman letters were unknown in 570BC till centuries later when Rome became a world power in 67BC.
5. Professor C. Anthon pronounced the Reformed Egyptian hieroglyphics as perfectly false.
6. Jews only ever wrote in Hebrew. Devout Jews would never write the name of "YHWH" in Egyptian.
7. Jeremiah contradicts the Book of Mormon by saying the only safe way to escape Nebuchadnezzar was by submitting.
8. There are no rivers emptying into the Red Sea as stated in the book of Mormon; old men women and children couldn't walk 175 miles from Jerusalem to the Red Sea in 3 days; 6 people then cross 1400 miles of desert and then build a ship to carry them 2/3 the way around the world in rough seas.
9. American Indians are Mongoloids not Semites as the Book of Mormon claims.
10. "Reformed Egyptian" has no similarity to Mayan characters.
11. Early Americans didn't know of metals for swords, shields, chariots to be used in wars. They were farmers.
12. There were no great cities of population as mentioned in the Book of Mormon.
13. There was no coinage system in Ancient America as outlined in the Book of Mormon: Why? No metal discovered till gold was - after 600AD!
14. Silk and fine linen never grown in America as stated in Book of Mormon.
15. Impossible to have Nephites build synagogues ("after the manner of Solomon") in America. Why? They'd left before the first one was built in Jerusalem. They wouldn't have known how to build one or what it looked like. They also wouldn't have the number of workers required - hundreds of thousands. Nephi had 12 adults. Why have a temple built for several millions of worshippers for only 20 people?
16. Quetzalcoatl (The Feathered Serpent) is equated with Jesus. Can't be, why? It appeared 1000 years after Jesus. There is no evidence to say that Jesus went to America.
17. The Book of Mormon mistakes Christ's crucifixion as 3 days rather than 3 hours.
18. Joseph Smith claimed that Elijah (OT) and Elias (NT) were different people. They are the same person.
19. The Book of Mormon has Jesus being born at Jerusalem not Bethlehem.
20. How can Helaman 12:26 written in 6BC quote John 5:29, which wasn't written till 85AD?
21. How can parts of the Book of Mormon written in 570BC quote from the KJV (word for word) which wasn't written till 1611?
22. How can the book of Mormon (written 570BC) quote seventeen full chapters of Isaiah word for word from the KJV 1611 which was written in 1611?
23. Joseph Smith's Book of Abraham found to be a complete fraud.
24. The Book of Mormon has been changed in 3000 places from the 1830 edition.
25. The 3 witnesses that appear in the front of the Book of Mormon later became thieves and counterfeiters.
26. There were 11 false prophecies by Joseph Smith.
