

“THE ONLY PASSPORT YOU’LL EVER NEED ... DON’T LEAVE EARTH WITHOUT IT!”

It’s pretty obvious they are warming us up to **the mark**. I mean Blind Freddy and his dog can see what’s happening. First, just get the people used to the idea of “**getting a jab**”. This is the forerunner of what the Bible say is “**receiving a mark**” ([Rev 13:16](#); [14:9](#), [11](#); [19:20](#); [20:4](#)). Now of course we are told it’s all for the greater good – we’ve had SARS, EBOLA, SWINE, FLU shots and so on, and it makes sense to everyone.

As dogs around the Hill’s Hoist

A dog’s lead tied to a Hill’s Hoist shortens as it runs in decreasing circles around it (Lance Hill in 1945, was the Australian who invented the Rotary Clothes Line – the Hill’s Hoist).

What three things are shortening our leads?

1. “Slowly, slowly, above all, not too much zeal”
2. Hegel’s Dialectic of “Thesis (action), Antithesis (reaction), Synthesis (solution)”
3. “The Red Herring” answer

The **FIRST** is Rome’s Latin mantra of “**Surtout, surtout, pas trop de zele**”. Sort of like, “If you move too quick you’ll scare the monkeys!” Introduce change very slowly. Of course everyone gets worn out with all the change and different rules and lockdowns, such that we all give up saying “Yes, Fine. Good. Do what you have to do.” This is on top of financial distress, family break-ups, careers and so on. No-one’s got any energy anymore to resist.

The **SECOND**, being of the philosopher Hegel, whereby governments introduce, or allow, an **action**, to get a **reaction**, so they can then step in with a **solution**. This repeated over and over till total control is established.

An everyday example is youth crime. In order for a tracing anklet to be introduced, the neighbourhood is first subjected to an increasing number of burglaries, stabbings and violence – this first part is the **action**. Victims, relatives and the general population then push back and contact their local politician – this is the second part called the **reaction**. They then welcome the tracing anklet for offenders – this is the **solution**.

The **THIRD** is a device used by politicians to simply distract the conversation. For example “Mr Politician, what are you going to do about the economy?” with the answer being “Thank you for that important question – and as you know, in order to effect economic change, we need first address the problem of the environment and climate.” Or in reverse, if the question is about climate, the red herring answer directs us to the economy.

Anyhow, we all know that we are like water being ‘poured down a funnel’ with no control over the speed or volume.

But God is good to warn us about the dangers coming up in the 7 year Tribulation.

WHAT ARE THE DANGERS?

We've seen 1. Rome, the whore of Babylon, with paedophile priests 2. Russia's aggression 3. China's looming dominance 4. Pestilences and plagues 5. Vaccines and jabs mentioned above and so on, to name just a few. These are all parts of the plan called "**...the mystery of iniquity that doth already work...**" ([2Thess 2:7](#)).

HEALTH PASSPORTS FOR SAFETY

We all know that **future digital control** of our lives is a 100% certainty. So we now have **Health Passports** to enter shops and go to work and so on. But it's all for our own good and what's the word? ... **SAFETY!**

You see there are two things that concern people – their **PEACE** and **SAFETY**. But here's the problem, Health Passports on phones or paper can be lost, stolen, destroyed or damaged, but you can't lose your HP if it's put into your hand or forehead - can you? Something to look forward to in the Tribulation, if you don't get saved.

The world looks for safety from earthly viruses, like 'incurable' leprosy in the Old Testament, but what they need is spiritual safety from the sin 'virus'.

WHAT ABOUT PEACE?

This is about wars and rumours of wars and with this latest Afghanistan thing, PEACE seems a long way off! But things will change very quickly overnight. God is the '**SUDDENLY**' God with over 40 Bible references. Despite what's happening on earth God moves suddenly. The Bible says both are coming very soon "**... they shall say peace and safety...**" ([1Thess 5:3](#)). Look, right now there are stitching up global peace deals especially for Israel. It's coming like a thief in the night ([1Thess 5:2](#)).

PEACE AND SAFETY HERE ON EARTH? A PIPE DREAM!

Pipe dreams are the illusions, fantasies and visions experienced by those smoking opium pipes. The Bible says peace does not come to earth until the Prince of Peace returns for the second time ([Isaiah 9:6](#); [Rev 19:11-21](#))

GET YOUR HEAVENLY PASSPORT BEFORE IT'S TOO LATE.

1. You'll have **PEACE** with God ([Luke 2:14](#)) ... saved from his wrath in hell. This is the **only** peace you need.
2. You have **eternal SECURITY IN** Jesus ([Rom 6:23](#); [Acts 16:31](#)). This is the **only** 'safety' you'll need.
