

## **BULLSEYE! ACCURATE BIBLE KNOWLEDGE!**

**QUESTION: "Does Christ die on Wednesday, Thursday or Friday?"**

**ANSWER: Wednesday**

**EXPLANATION:**

Christ knew the story of Jonah to be 100% historical and fact.

These were **three full days** and **three full nights!**

*"But he (Jesus) answered and said unto them, An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas: For as **Jonas was three days and three nights** in the **whale's belly**; so shall **the Son of man be three days and three nights in the heart of the earth.**" ([Matthew 12:39-40](#))*

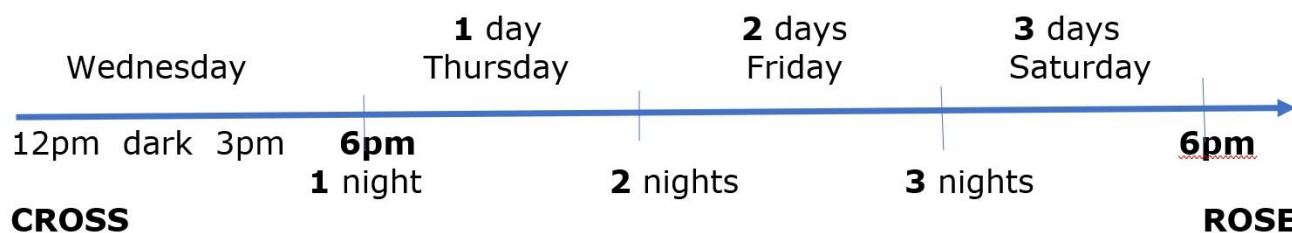

**CHRIST DIED ON WEDNESDAY.**

The **THREE FULL DAYS** are **Thursday, Friday, Saturday**

The **THREE FULL NIGHTS** are **Wednesday** night, **Thursday** night, **Friday** night.

Christ goes to the cross on Wednesday and dies in the afternoon and his body is taken off the cross before 6pm.

Darkness reigned for 3 hours from midday to 3pm on the Wednesday (6<sup>th</sup> – 9<sup>th</sup> hour) Christ rose just after 6pm on Saturday night when the Jewish Sabbath finished. Christ rose on the **Sunday** – **the 8<sup>th</sup> day** of the week, that is, just after 6pm on Saturday. The **fulfillment of the law** was accomplished on the completion of the 7<sup>th</sup> day, the Sabbath, with Christ saying "...*It is finished...*" ([Jn 19:30](#)) . "I have fulfilled the law and it is finished. My life on earth as the Son of man is finished. I have fulfilled the task my Father gave me!"

**Good Friday is just a false story** made up by the Roman Catholics who read in their Bibles that the following day was a Saturday. They saw the word "Sabbath" and **wrongly** assumed that Christ died on Friday. As one wag said "I reckon the superstition of not eating meat on Fridays was started by a fishmonger in Rome, looking to sell more fish!"

**Rome is ignorant** of the fact that:

1. The following day after Wednesday, was a **special Sabbath**.
2. Certain days of the Jewish week were called **special Sabbaths**.
3. Furthermore, the **Wednesday was the day of the Jewish Passover** when all over Jerusalem, lambs were being sacrificed in the afternoon at their Passover.

God saw that it was absolutely fitting, for the Jew, and the Christian, that "...*Christ our passover ...*" ([1Cor 5:7](#)) was also being sacrificed around 3pm on that day. Lambs all over Israel were also being sacrificed at that time on Wednesday afternoon.

### **IS OT SALVATION THE SAME AS NT SALVATION?**

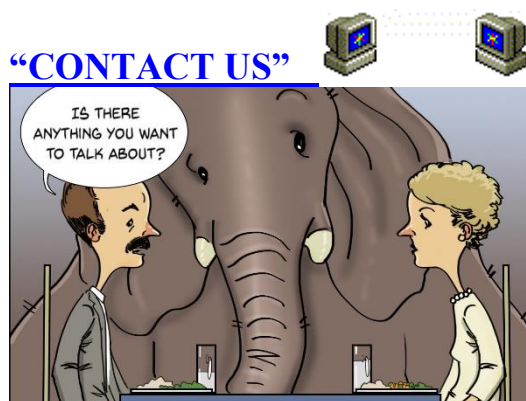

No! Chalk and cheese! God's wrath, although **passing** over Israel ([Ex 12:13](#)), they **only** had their sins **covered** ([Rom 4:7](#)). God's wrath not only passes over the Christian ([Rom 5:9](#); [1Thess 5:9](#)), but God has **washed away** his sins with the blood of the Lamb ([Rev 1:5](#); [Rom 8:2](#)). For the Jew it was temporary salvation. For the Christian it is eternal security.
