

**BULLSEYE!
ACCURATE BIBLE KNOWLEDGE!**

QUESTION: What is God's **ONLY** title – "Yah", "Yahweh", "YAH" or "JEHOVAH"

ANSWER: JEHOVAH.

The other three names "Yah", "YAH" and "Yahweh" are ancient pagan weather and fertility gods. The NKJV hates the name JEHOVAH but loves the pagan "Yah", "YAH" and "Yahweh". A masterful deception by Satan, an angel of light.

"And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." ([2 Corinthians 11:14-15](#))

DEAR READER,

If you do not want to study and be approved of God, DO NOT read any further. It's that serious!

Jerry Falwell was an unsuspecting dupe used by the enemy to produce the New King James Version - Rome's deliberate and deceitfully poisonous 'bible' translation for unsuspecting or willingly ignorant Christians.

If the hair on the back of your head doesn't stand on end after studying the following, you'll need to ask yourself the question "Have I been unsuspecting, and if so, do I now want to be willingly ignorant?"

Either way, there will be only be one choice for you – The King James Bible ... and yes, ... we've heard ALL the excuses. And do you know what? THERE IS NO EXCUSE!

It's a step of faith to believe the King James Bible ... and not just prefer it. Will you pray "Dear heavenly Father, I want the truth, all of the truth and nothing but the truth at any cost. I will now believe, not just prefer the King James Bible. I repent of this sin. I repent of my excuses. Please help me!"

EXPLANATION:

The Hebrew name of God, spelled with the Hebrew letters, and pronounced, **Yod, Heh, Vav, and Heh**, when transliterated into English, become **JHVH** (called the Tetragrammaton).

In the Authorized Bible, The King James Bible, it is translated **JeHoVaH** seven times, and rendered **LORD** the remaining times (capital letters).

However, in the 19th century, unbelieving German critics, backed by Rome, **re-fashioned** God's name. They asserted that the God of Israel's name should be pronounced **Yahweh**, because to them, he was nothing more than an offshoot of the **pagan** deities of **Yaho, Yaho, YAH, Yahu, Ya-ve, Yawe** and **Ja-be**.

Of course, this was a monstrous lie! **Yahweh**, a **tribal pagan god**, is a name that means "**Destroyer**". Fancy that! God's name means "Destroyer"! **Yahweh** is also known as the **weather god** - "a god of the weather".

As we shall see later, **four** groups have been guilty of this name switch - Satan, Rome, unsaved German critics and willingly ignorant Jewish Rabbis.

1. THE CHRISTIANS' GOD IS NOT A PAGAN PHALDIC GOD

The NKJV would have Christians believe that **the LORD JEHOVAH** is **YAH the LORD**. However, **YAH** is the name of a **pagan phallic god** whose productive power generated all of creation. **YAH**, is worshipped as a phallic symbol. Surely, Christians must be horrified at using the NKJV – just with this fact alone!

<p style="text-align: center;">THE AUTHORIZED BIBLE for Christians</p> <p style="text-align: center;">The King James Bible</p>	<p style="text-align: center;">New King James Version (Acts 17:21)</p> <p style="text-align: center;">Rome's deliberate and deceitfully poisonous 'bible' translation for unsuspecting or willingly ignorant Christians</p>

"</p>
<p>Isaiah 26:4 Trust ye in the LORD for ever: for in the LORD JEHOVAH <i>is</i> everlasting strength:</p>	<p>Isaiah 26:4 Trust in the LORD forever, For in YAH, the LORD, <i>is</i> everlasting strength.</p>

Satan is overjoyed when Christians walk around sprouting "Yahweh" as their god, and having the word "YAH" in their NKJV.

2. "JAH" IS GOD'S NAME - NOT "YAH"

"JAH" is the God of Abraham, Isaac and Jacob. "YAH" is the god of this world.

The name of the **LORD JEHOVAH** is **JAH** as mentioned **once** in the King James Bible, and not **YAH**, mentioned three times in the NKJV. As will be explained later, unsaved German critics, along with Rome convinced willingly ignorant and complicit Jewish Rabbis, that the name "**JAH**" should be pronounced as "**YAH**".

For those who know the German language, the "J" is pronounced as "Y".

3. SATAN HIDES GOD'S TRUE NAME

Satan loves to **hide** himself in the **NKJV** and doesn't like to be discovered, as he simply calls himself "**an accuser**" ([Ps 109:6](#)), however in The King James Bible, he is revealed for who he really is – **Satan** ([Ps 109:6](#)).

Similarly, just as he likes to hide himself, he also likes to hide God's real name of JEHOVAH. However, trying to look authentic, the NKJV **reluctantly admits** that God is the **LORD**, but will **not** clearly identify his full name of LORD JEHOVAH as in the following two verses, where **JEHOVAH'S name** has been **substituted** with the **term LORD**. However, "**LORD**" **IS NOT A NAME – IT IS JUST A TITLE!!**

<p>Exodus 6:3 And I appeared unto Abraham, unto Isaac, and unto Jacob, by <i>the name of</i> God Almighty, but by my name JEHOVAH was I not known to them.</p> <p>CORRECT! JEHOVAH is God's name!</p>	<p>Exodus 6:3 I appeared to Abraham, to Isaac, and to Jacob, as God Almighty, but by My name LORD I was not known to them.</p> <p>WRONG! LORD is not a name! It's only a title!</p>
<p>Isaiah 26:4 Trust ye in the LORD for ever: for in the LORD JEHOVAH is everlasting strength:</p> <p>LORD is the title but JEHOVAH is his name.</p> <p>Another example would be - Sir Alan where Sir is the title and Alan the name</p>	<p>Psalm 83:18 That they may know that You, whose name alone is the LORD, Are the Most High over all the earth.</p> <p>1. WRONG! LORD is not a name! It's a title!</p> <p>2. SEE SNEAKY! Just the title LORD but no name!!!! VERY DECEPTIVE! Which name? It's the PAGAN YAH (Is 12:2) not JEHOVAH!</p> <p>The NKJV will not name its LORD!!!</p>
<p>Comment: Satan loves to hide in the NKJV. On TV, we see Muslims all agree "We love God!". This gives the West the wrong impression as they say "Look! Muslims love God too! We all worship the same God." No we don't. Their God is Allah. It's the same with the god in the NKJV – it's the pagan YAH not JEHOVAH!</p> <p>Question: "When is God not God?" A: When he's the pagan god YAH of the NKJV!</p>	

THERE ARE **FOUR GROUPS** RESPONSIBLE FOR THE ATTACK ON THE NAME OF JEHOVAH.

1. **Rome** decided that Israel's God, Jehovah, was simply a pagan deity called Yahweh.
2. **German** critics have supported this name switch with their use of **consonants**
3. **Jewish Rabbis** willingly endorsed their Hebrew language as having no vowels in their words.
4. **German overhaul and re-write** of the Old Testament text

1. ROME

It should come as no surprise then, that Rome, being history's prime hater of God's words, as found in the Authorized Bible, spawned a godless **16th century** gnostic **Benedictine** monk called **Gilbertus Genebrardus**, who popularized the name of Yahweh, claiming that the God of Israel was nothing more than a tribal pagan **weather** god. It was a simple 'pea-under-the-cup' trick, as we see in the Old Testament, God is certainly controlling the weather with storms, hail, wind, rain, drought and so on.

2. GERMAN CONSONANTS AND THEIR PRONUNCIATIONS

Then, **unsaved anti-Semitic German liberal scholars** of the 19th century, eagerly seized upon the new pronunciation of Yahweh, and further denied, that the Old Testament was actually given by God.

They grasped at any straw to hide their unbelief, asserting that the Old Testament was simply the work of men who adopted and **borrowed**, stories, words and names, from neighbouring pagan religions and languages.

The German critics said "Yahweh was not a Hebrew name, and that such a title, would prove that the Hebrews had borrowed it." They knew that the name of Yahweh meant 'Destroyer'.

With the different pronunciations, the Germans have been deliberately malicious in justifying the use of the name Yahweh. For those who know a little of the German language, the "J" is pronounced as "Y", and the "W" as "V", and the "V" is a soft pronounced "F".

Hence **J H V H** can be changed into **Y H W H**, and pronounced "Yahweh". For those who don't like the 'harsh' sounding "Jehovah", the **new age sensitive sound of "Yahweh"** is to be preferred. After all, it is reasoned "Isn't God love? Isn't he a gentle God? If so, he should have a gentle name."

3. JEWISH VOWEL-LESS LANGUAGE

Now coming to the subject of the use of **vowels**, or lack thereof, in words.

Jews do not say the word "God", and indeed write his name as "G_D", as they say, to preserve the sanctity of the name. This has led to the belief that the Hebrew language originally had no vowels, which is incorrect. Unsaved theologians instigated this and convinced Jewish rabbis of this fact. Of course this is completely false.

Did Moses have to guess when God said to him "**nd wll gv nt th nd t thy sd ftr th th lnd**"? (The English equivalent)

No, God left him in no doubt with "**And I will give unto thee, and to thy seed after thee, the land...**" ([Gen 17:8](#)). God used actual words when talking with Moses.

The scriptures say "... *the LORD said unto Moses, Write ...in a book ... And Moses wrote all the words of the LORD*" ([Ex 17:14](#), [24:4](#))

If God spoke to Moses in 'consonant only' words, how could Moses have written them down? Furthermore, by reasoning alone, to say that the pronunciation of God's name, Jehovah, in Hebrew as a proper word with vowels, was never known, is absolute nonsense. Well documented history shows that the very name of God, the Jewish pronunciation of Jehovah, was in use from **before** 250 BC. God used words with vowels!

Furthermore, by not using vowels, nouns and verbs can be confused and the scriptures can be allegorized by private interpretation. For example, by just using consonants, the famous Messianic prophecy of [Isaiah 9:6](#), can be changed from "**everlasting Father, The prince of Peace**" to "**I will bring upon the princes of peace**". This very well suits the Rabbi's and their denial of the Old Testament prophecy of [Isaiah 9:6](#).

So by using a vowel-less system, the Rabbi's make "**...the word of God of none effect through ... tradition...**" ([Mk 7:13](#)).

Have you ever wondered why the Authorized Bible has the phrase 'God is angry' ([Psalm 7:11](#)), but the NKJV changed it to "God is **not** angry"? This is only made possible through a vowel-less system.

In addition, using a vowel-less system, the phrase of "**The moon shall be confounded and the sun ashamed...**" ([Isaiah 24:23](#) King James Bible) can be changed into "**The brick wall shall waste and the wall shall fall...**"

Under the guise of not speaking **G-d's** holy name, Jewish Rabbi's, have their own secret agenda in promoting vowel-less scriptures. Refusing a perfect written law, Rabbi's fearful of losing their power of tradition, love the system where vowel-less consonants can create up to **ten different words**. Rome's word twisters agree, believing all men should be subject to the Catholic church. Sadly, the majority of Christian pastors unwittingly are acting the same.

4. THE GERMAN OVERHAUL AND RE-WRITE OF THE OLD TESTAMENT TEXT

Hitler's right hand propaganda man, **Rudolf Kittel**, completely re-edited and changed the commonly accepted Hebrew *Old Testament Masoretic Text* and called it **The Biblia Hebraica**, and thereby spiritually destroyed the Jewish race. It is no wonder then, that his son, Gerhard, Hitler's propaganda general, took over the reins and physically killed millions of Jews. As a result, various New Testament words and verses were altered to accommodate these Old Testament changes.

Rudolf said the Hebrew religion was a cult, whose followers worshipped a primitive weather god called Yahweh, which was simply an old deity from the region of Sinai. But he went further. He **deliberately** called God, the LORD JEHOVAH, as YAH – the phallic god! Surely this is outrageous blasphemy at its worst! The NKJV is based on a text written by a man who hated the Jewish race and Christians.

SO WHAT DOES ALL THIS MEAN?

1. Satan just loves Christians clutching their beloved NKJV's, as it is based on the Jew-killing Hebrew text of Rudolf Kittel, and thoroughly endorsed by Rome.
2. The NKJV promotes, that God, the LORD JEHOVAH of the Old Testament, is a borrowed pagan deity, a **weather god, called Yahweh**. Now because of the Jehovah Witnesses, the name "Jehovah" has bad connotations, so Christians have been given an excuse, albeit false, to call God JEHOVAH, as Yahweh.
3. Furthermore, the NKJV without shame, writes his name as **YAH, the phallic tribal pagan god**. As Jesus Christ is the Son of God, **Christians are unwittingly calling Jesus Christ "the phallic god"!**
4. Thousands of Christian Pastors are unwittingly feeding Satan's bible to their flocks every week, by allowing the NKJV into their churches.
5. Under the guise of using a more friendly text, unsuspecting or willingly ignorant Christians are persuading and 'infecting' other Christians with Rome's bible called the NKJV. As God hovers over his words, surely the NKJV is not God's words.
6. What makes the NKJV **the deadliest of all the versions**, is that it masquerades under the name of the King James Bible, thereby hoping to gain some respectability.
7. **If THE LIE CAN BE ACCEPTED**, that all Bibles have errors, then Christians can have the choice of **two** King James Bibles, and it does not matter which they prefer. Surely, this is the result of the mystery of iniquity which doth already work ([2Thess 2:7](#)).
8. **As the words of the Lord are pure words, The King James Bible, then why do Christians continue to use the NKJV?**

*"For my people have committed **two evils**; they have **forsaken** me the fountain of living waters, and hewed them out cisterns, **broken cisterns**, that **can hold NO water.**"*
([Jeremiah 2:13](#))

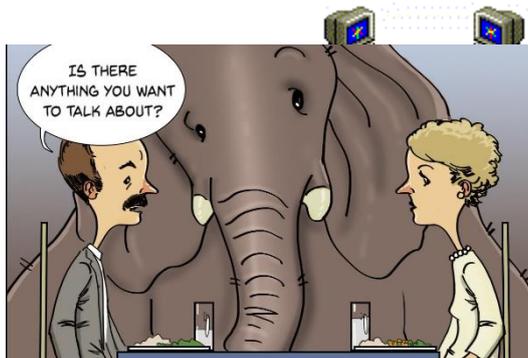

The New King James Version ([Acts 17:21](#)) holds no water!
It is Rome's deliberate and deceitfully poisonous 'bible' translation for unsuspecting or willingly ignorant Christians.
