

**BULLSEYE!
ACCURATE BIBLE KNOWLEDGE!
"HOW THE KING JAMES BIBLE BECAME CASTRATED AND IRRADIATED"
aka
"THE WHOPPING LIE OF FOUR BIBLE REVISIONS"
(Part 1 of 3)**

QUESTION: "Hasn't the King James Bible needed four revisions over time?"

ANSWER: No. There have been four editions of the King James Bible.

EXPLANATION:

An **EDITION** of a book is a copy printed at any time or times using the same primary source, as in this case, the 1611 translators' manuscripts.

A **REVISION** of a book involves more than producing an edition, as it has the **adding, subtracting** or **substitution** of words and phrases, as in this case, that are not in the 1611 Translators manuscripts.

Furthermore, as will be detailed with the New King James Version, there has been the **adding of ungodly words and doctrine**. You see Dear Reader, the King James Bible has what are called "God's words" that have a particular meaning. These have been taken out and substituted with man's words that have another meaning.

Under the guise of producing **AN IMPROVED** King James Bible, and one that **LOOKS LIKE** The King James Bible, ungodly forces have conspired, under the guise of removing those nasty 'thee's', 'thou's', 'ye's' and 'thine's', to add the deadly poisons of ungodly words and doctrine resulting in the New King James Version.

BUT A CRIMINAL JUST LOVES TO BRAG ABOUT HIS CRIME

Here we have the confession by the NKJV Translation Committee headed by the tongues-speaking and Pentecostal-jumping Jerry Falwell. Satan just can't help himself.

If you think that the NKJV has just innocently updated the difficult words and removed the 'thee's and the thou's' – here's what the NKJV translators **PROUDLY** admit in the preface:

"IT IS CLEAR THAT THIS VERSION **REQUIRED MORE** THAN THE DROPPING OFF OF THE "-ETH" ENDINGS AND REMOVING THE "THEE'S AND THE THOU'S" AND UPDATING OBSOLETE WORDS." (*New King James Version, 1982e.*)

Dear Reader, Do you see that! Up front and centre! Bold as brass and bragging. You will see that **the New King James Version is nothing but a new translation.**

The King James Bible printers merely published further editions with corrections, NOT REVISIONS.

A revision is a total re-write of a book. The differences between the words 'revision' and 'edition' is chalk and cheese.

The so called 'four revisions' of 1629, 1638, 1762, 1769 were simply four editions brought out by the publishers to correct the following:

1. MAN'S TYPE SETTING mistakes coming from the typesetters manually setting each individual alphabet letter for approximately **3,568,489 letters** of the Bible.

2. FONTS. The first Bible of 1611 was chosen in Gothic font as it was deemed more intricate, ornate and beautiful and reflected the copyists handwriting of the Middle Ages, than the Roman type which was also available.

Dear Reader, google up 'Gothic Type' to see what it looks like – it's hard to read. One year later in 1612 a Bible with the Roman type font was published. Newspapers today have the 'readable' **Roman type** (as follows) with the alphabet letters with which we are all familiar with.

3. SPELLING standardization – for example 'ranne' to 'ran' and 'feare' to 'fear'. It was not until the mid-1800's that English spelling became more stable.

4. TEXT changes – for example the 1611 text we see a **plural word that was meant to be singular** as in 'the ways side' corrected to 'the way side'.

WITH ALL THE ABOVE CORRECTIONS, BIBLE DOCTRINE WAS NOT AFFECTED IN ANY WAY, SHAPE OR FORM – UNLIKE ALL THE DIFFERENT TRANSLATIONS WE HAVE TODAY.

DOES THIS INCLUDE THE NEW KING JAMES VERSION?

Especially the New King James Version as it is **not** a different form, version or revision of The King James Bible – **it is a NEW TRANSLATION** as will be revealed. It should be called **Rupert Murdoch's Bible**, as he owns Harper Collins, who own Thomas Nelson, who publishes it. You can call it the **Thomas Nelson Bible** as they have the copyright on it. How about "**Rome's Version for Willingly Ignorant Christians**". Mr. Murdoch was awarded Rome's "The Knight Commander of St

Gregory" knighthood for services rendered to the Vatican – **need we wonder why?** And for donating large sums of money to Rome.

THE NEW MCDONALDS HAMBURGER

Imagine some company bringing out a variation of a McDonalds hamburger and calling it the **New McDonalds Hamburger**. They'd be sued faster than the speed of light by McDonalds.

SO HOW DID THOMAS NELSON GET AWAY WITH IT?

As there is no copyright on the King James Bible text, no-one can sue them. The next you beaut Bible will probably be called The New **Improved** King James Bible.

BUT WE ARE NOT SURPRISED! WHY?

Just as Christ, the Son of man in the flesh, **the Word**, had no 'earthly copyright' on him, we are not surprised that at the cross Rome ripped and tore to shreds the flesh of the Word and bled the blood from the Word till he became weak and anaemic.

Similarly, **Christ's words of the King James Bible** have been ripped to shreds and become the bloodless anemic version known as the **New** King James. It has no power! It is dead! God sees to that!

Let me repeat ... just as Christ as the Son of man had no copyright on him, Christ's words, The King James Bible, have no copyright on them either. Man could not own Christ as he was the property of God the Father. God the father had, has and will always have the copyright on him.

So there we have it ... just as Christ the Word on earth was 'defence-less' against his enemies, so Christ words are similarly 'defence-less'. **Both the Word and his words have been ripped and torn to shreds by Rome ... FOR THE TIME BEING!**

ZAPPED FRUIT IS NOT GOOD FOR YOU

Dear Reader, let me put it this way. A piece of irradiated fruit, you know the stuff that has been **zapped** with radiation, looks the same as unzapped fruit. I mean what's the problem? The fruit lasts longer, any bugs that would attack the fruit have been killed, and harmful bacteria have been destroyed. Nothing has changed except

1. The goodness and vitamins and minerals have been weakened and destroyed
2. Ongoing eating of such food will make you sick
3. The eater runs out of energy and vitality .., and the list goes on.

I guarantee Dear Reader, should you continue to eat such irradiated foods, you will very quickly rob the body of what it needs. You will start to say things like "I don't feel well!" "I am tired all the time!" "Honey, I think I'll stay in bed this morning – I don't know what is wrong!" and so on.

THE NKJV IS A ZAPPED AND CASTRATED KING JAMES BIBLE

Christians say "I'm not praying as I used to!" "I don't feel spiritual!" "I'm starting to doubt whether I'm saved or not!" "I don't want to read the Bible as much!" "My life's not working out!" "Why does it seem that God is leaving me alone!" and so on. If you are using a NKJV you are eating zapped spiritual fruit. You are becoming or have become an anemic Christian.

THE ANSWER IS EXTREMELY SIMPLE

You may love God with all your heart, soul, strength and mind. But you will **not** have his words! Yes, his final written authority – perfect, infallible, inspired and inerrant words of the King James Bible. Yes, you might use it but you don't believe it. Yes Dear Reader, God is a rewarder of those that diligently seek him. Will you diligently seek him? You must make a decision – is it "Yes" or "No?"

"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." ([Hebrews 11:6](#)).

DEAR CHRISTIAN LISTEN TO WHAT CHRIST SAYS:

*"Jesus answered and said unto him, **IF A MAN LOVE ME, HE WILL KEEP MY WORDS:** and my Father will love him, and we will come unto him, and make our abode with him."* ([John 14:23](#)).

Are you a lukewarm Christian? Are you a part-timer? [Is near enough good enough for you?](#) These are sins. Repent and have a change of mind after reading these series of articles on the monstrous lie of needing four revisions.

BUT WHAT ARE THE SO CALLED BENEFITS GIVEN BY THE PUBLISHERS OF THE NEW KING JAMES VERSION?

1. It more readable
2. Easier to understand
3. When witnessing to the unsaved it's in a language they understand
4. No-one talks with ['thee's' and 'thou's'](#) anymore
5. Christianity becomes more modern and acceptable
6. Christianity is not just for little old ladies
7. If English is not your first language you don't have to wrestle with [archaic and outdated words](#).

THE BIBLE IS MORE READABLE BUT WITH LESS UNDERSTANDING

Yes dear Reader, and I guarantee this 100%, that the Bible may become more readable for you but your understanding of word and doctrine will be the trade off! You will rob yourself of rewards. It will be more readable just like a newspaper, but your understanding will fly out the window. Gods says

*"Let the elders that rule well be counted worthy of **double honour**, especially they **who labour in the word and doctrine.**"* ([1 Timothy 5:17](#))

I guarantee **you will labour** with the NKJV but **not** in word and doctrine. With the NKJV you will place yourself in darkness. You will have moved away from God and

that is why you think he has left you! This is why lukewarmness creeps into your life!

The 1611 King James Bible printers merely published further editions with corrections, NOT REVISIONS,. A revision is a total re-write of a book. The differences between the words 'revision' and 'edition' is chalk and cheese.
