

**BULLSEYE!**  
**ACCURATE BIBLE KNOWLEDGE!**  
**“HOW THE KING JAMES BIBLE BECAME CASTRATED AND IRRADIATED”**  
**aka**  
**“THE WHOPPING LIE OF FOUR BIBLE REVISIONS”**  
**(Part 3 of 3)**

**THE FOLLOWING IS THOMAS NELSON’S JUSTIFICATION FOR A NEW TRANSLATION CALLED THE NEW KING JAMES VERSION (NKJV)**

In their preface they state:

“For nearly four hundred years, and throughout **several revisions** of its English form, the King James Bible has been deeply revered among the English-speaking peoples of the world.”

Continuing with their flowery language, they strongly imply that their NKJV is only a continuation of the revisions that have been going on for the past 375 years, that is from 1611 through to 1986, with the production of their NKJV. This declaration is **totally misleading** and could not be more false.

This is a **bald-faced lie**. If as they claim, their NKJV is simply a continuation of the ‘revisions’, **updating IN THE SAME VEIN** as the earlier editions, that have been going on for the past 375 years why then would we have the following mindboggling statistic of **another 59,600 corrections?**

**Answer: They were NOT done in the same vein!**

The NKJV is not the 5<sup>th</sup> revision - it is simply the 1<sup>st</sup> revision of the 1611 bible. As pointed out, the 1611 Bible was **not revised** in 1629, 1638, 1762 and 1769 but **only corrected** with four editions. However, Thomas Nelson, the publishers of the New King James Version have called them revisions **to justify their printing of the NKJV**. With ‘the pea under the cup routine’ they have **re-named** the four editions as revisions. They have done this deliberately to justify their castration of the King James text.

**The following table** shows –

1. The 4 editions had 400 corrections
2. The NKJV, has **59,600 major** doctrinal and word deletions, additions and substitutions

<p>The so called <b>4 editions</b></p> <p>1629, 1638, 1762, 1769</p> <p>Over 375 years</p> <p>(1611 – 1986)</p>	<p>Only <b>400</b> changes in 375 years</p>
<p><b>The New King James Version</b></p> <p>It is falsely called the <b>5<sup>th</sup> revision.</b></p> <p><b>It is only the 1<sup>st</sup> Revision</b></p>	<p><b>59,600 additional</b> changes</p> <p>This is an <b>entirely new translation</b></p>

If there were only 400 text variations in the first four editions, how can Thomas Nelson say they have found another 59,600 after 375 years.

### **WHAT CRITERIA DID THOMAS NELSON USE TO JUSTIFY ANOTHER 59,600 MAJOR TEXT CHANGES?**

This **obviously was not done "in the same vein"** as the four earlier editions of 1629, 1638, 1762 and 1769.

Dear Reader, Are you with me? Do you know what I am getting at? Yes, **it wasn't in the same vein at all** – Thomas Nelson set out to deliberately corrupt the King James Text to satisfy their master ... Rome. And Rupert Murdoch, owner of Harper Collins Publishers, which owns Thomas Nelson, is one of Rome's favourite sons, and gives his approval to this different vein.

### **IT WAS AN ENTIRELY DIFFERENT VEIN! THEY PRODUCED AN ENTIRELY DIFFERENT TRANSLATION!**

### **HOW DO YOU GET AN EXTRA 59,600 MAJOR TEXT CHANGES IN THE NKJV?**

Let's take the **Book of Ecclesiastes** as an example of this. The work was done by a Dr Scrivener, who by the way, was not a King James supporter and therefore his work is unbiased.

The following table clearly shows how **the destruction of the King James Text** resulted in a completely new translation called the New King James.

## THE BOOK OF ECCLESIASTES

**These are not corrections –**

**these are harmful word and doctrine substitutions**

	<b>The King James Bible</b>	<b>The New King James Version</b>
<b>1:13</b>	sore travail	grievous task
<b>1:14</b>	vexation of spirit	grasping for the wind
<b>1:16</b>	my heart had great experience of wisdom	My heart has understood great wisdom

In **Ecclesiastes chapter one**, there are **50 changes** like the above three. This equates to about **600 in the Book of Ecclesiastes** and approximately **59,600 in the entire Bible**.

<b>2:3</b>	to give myself unto	to gratify my flesh
<b>2:3</b>	acquainting	guiding
<b>2:21</b>	equity	skill
<b>3:10</b>	the travail, which God hath given	the God-given task
<b>3:11</b>	the world	eternity
<b>3:18</b>	that God might manifest them	God tests them
<b>3:18</b>	they themselves are beasts	they themselves are like beasts

<b>3:22</b>	portion	heritage
<b>4:4</b>	right work	skillful work
<b>5:1</b>	keep thy foot	Walk prudently
<b>5:6</b>	the angel	the messenger of God
<b>5:6</b>	thy voice	your excuse
<b>5:8</b>	he that is higher than the highest	high official
<b>5:20</b>	God answereth him	God keeps him busy
<b>6:3</b>	untimely birth	stillborn child
<b>7:29</b>	inventions	schemes
<b>8:1</b>	boldness	sterness
<b>8:10</b>	the place of the holy	the place of holiness
<b>10:1</b>	Dead flies cause the ointment of the apothecary to send forth a stinking savour	Dead flies putrefy the perfumer's ointment
<b>10:10</b>	If the iron be blunt	If the ax is dull
<b>10:10</b>	wisdom is profitable to direct	wisdom brings success

<b>12:9</b>	gave good heed	pondered
<b>12:11</b>	the masters of assemblies	scholars

### NOTICE WHAT HAS BEEN DONE:

1. **Equity**, which is a trait of godliness, becomes a mere **skill** (Ecc 2:21)
2. The **world** becomes **eternity** (Ecc 3:11). What!
3. Man without God no longer is **a beast**, but just **like a beast** (Ecc 3:18). You can see how this leads to God loving the unsaved man, the sinner, as he's not real bad, but hates the sin!
4. The **deity of God** in '**he that is 'higher than the highest'**' has been taken out and replaced by a '**higher official**'. Outrageous! (Ecc 5:8)
5. **Wisdom** is profitable for direction, it is **not** designed for **success** (Ecc 10:10). Ouch! says 'Health and Wealth' crowd.
6. Does God **answer a man** or does he just **keep him busy?** (Ecc 5:20). Unbelievable!
7. The NJKV names the **masters of assemblies as scholars** (Ecc 12:11).

Now of course scholars would like to think they are now the leaders and masters, but this is not what the verse says and shifts the spiritual direction of churches and assemblies from those who are qualified by God to those who are simply scholars.

As there have **not** been any revisions of the 1611 King James Text, it is a blatant lie that the New King James Translation continues in the same vein. **The New King James Version is not a continuation of what has gone on before.**

### A CRIMINAL MUST TELL SOMEONE ABOUT HIS CRIME

Here we have the confession by the NKJV Translation Committee headed by the tongues speaking Jerry Falwell. Satan just can't help himself.

If you think that the NKJV has just innocently updated the difficult words and removed the 'thee's and the thou's' – here's what the NKJV translators **PROUDLY** admit:

"IT IS CLEAR THAT THIS VERSION **REQUIRED MORE** THAN THE DROPPING OFF OF THE "-ETH" ENDINGS AND REMOVING THE "THEE'S AND THE THOU'S" AND UPDATING OBSOLETE WORDS." (*New King James Version, 1982e.*)

Dear Reader, see that – it required doctrinal change as well! **OH YES, 59,600 CORRUPT TEXT CHANGES.** They just had to brag about putting the vacuum

cleaner through the 1611 text. They couldn't help themselves! A criminal just has to tell someone how clever they have been. And this has been revealed and exposed front and centre.

### **THE FACTS ARE AS FOLLOWS:**

**1.** The preface to the NKJV states that the "thee's, thou's and ye's" are replaced by the simple "you" as these pronouns are no longer part of the English language.

However the "thee's, thou's and ye's" weren't part of the English language of 1611!  
**If you read the introduction to the 1611 King James Bible, there are no "thee's", "thou's" or "ye's" used by the translators.**

**2.** The 'thee's' and the 'thou's' were taken out from the English language 400 years before the King James was printed – therefore the 'thee's' and 'thou's' were **DELIBERATELY** put back into the King James Bible to give 100% legal accuracy of meaning.

**3.** The Webster's Third New International Dictionary says of the word "ye": "**used from the earliest times to the late 13<sup>th</sup> century...**" (p.26-48). But the King James Bible was published 400 years later in the 17<sup>th</sup> century.

The 'thee's', 'thou's' and 'ye's' were **deliberately** brought back after 400 years to give accuracy to the text.

### **THE KING JAMES BIBLE IS GOD'S PERFECT, INFALLIBLE, INERRANT, FINAL AND INSPIRED AUTHORITY FOR MAN.**

### **IT CAN STAND UP TO THE MOST RIGOROUS, LEGAL AND GRAMMATICAL EXAMINATION.**

### **GOD HAS DELIBERATELY DESTROYED "THE ORIGINALS"**

This pile of "originals" is, has been and always will be ... **unseen, unread, unknown** and **unobtainable** manuscripts that have **never been found**, such that nobody can argue, debate or fight over the exact wording of his final written authority of The King James Bible.

### **THERE ARE NO PRIVATE INTERPRETATIONS WITH THE KING JAMES BIBLE.**

*"Knowing this first, that no prophecy of the scripture is of any private interpretation." (2 Peter 1:20)*

### **HOW DO WE KNOW ALL THIS**

This may come as a surprise to a lot of people but we have God's promise that he would preserve his purified words.

**"The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever."** (Psalm 12:6-7)

Mmmm! How about that! Pure words that have been preserved. You have to ask yourself the following questions "Why would God produce his perfect, infallible and inspired written words **if he couldn't preserve them?** It wouldn't make any sense? Is God weak? Did God fall asleep? Could man overthrow his plans?

### **IS THERE ANYTHING TOO HARD FOR GOD?**

We are reminded in the scriptures

*"Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and **there is nothing too hard for thee:**"* (Jeremiah 32:17)

*"And when **Abram was ninety years old and nine**, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou perfect."* (Genesis 17:1)

Ah yes! Here was a man, who was past having children, and had all the moisture in him of a brittle dead twig laying on the ground for decades in the hot desert sun; and his wife, who had a dead womb that was as crispy dry as a packet of potato chips, and God says to him "Abraham you are about to have a child!"

Dear Reader, how about that for impossibility?

How about out of nothing, God created creation ... the universe.

### **CONCLUSION:**

Name: Thomas Nelson aka Harper Collins aka Rupert Murdoch

Address: Rome

Country: Italy

Problem: The King James Bible had dreadful errors

Solution: The perfect New King James Version

There were **400 insignificant** spelling, typo's and text changes that were needed in the King James Bible, but they didn't change the doctrine in any way, shape or form, unlike **the 59,600 major word and doctrinal errors** found in

**The New King James**
