**BULLSEYE!**  
**ACCURATE BIBLE KNOWLEDGE!**  
**IS GOD'S CREATION THE IMAGE OF HIMSELF?**

**QUESTION:** "Does God's creation reflect the nature of himself?"

**ANSWER:**

**Yes. As God is made up of three persons then we find any number of entities being made up of 'three's'**

**EXPLANATION:**

First of all, the word '**trinity**' is a man-made manufactured word as the proper name is the Godhead ([Acts 17:29](#); [Rom 1:20](#); [Col 2:9](#)).

There is one God made up of the **Godhead**.

The **Godhead is made up of three persons** – God the Father, the Word and God the Holy Ghost ([1John 5:7-8](#)), with the Word being God the Son who is God manifest in the flesh ([John 1:1, 14](#); [1Tim 3:16](#)).

The word 'trinity' is falsely used so as to make the three persons of the Godhead not appear to be one God – which of course they are. There is God the Father, God the Son and God the Holy Ghost, as these three are one ([1 John 5:7](#)). One God with three persons.

**IF THE GODHEAD IS CALLED A TRINITY ...**

it makes God appear as three separate 'individuals' or persons and not one. We are all familiar of the three Musketeers – you know "All for one and one for all." They are united in a common purpose but are three completely and different separate men.

And so using the word 'trinity' to describe God, is to give the wrong impression as to his composition.

## **DOES GOD'S CREATION REFLECT HIS NATURE?**

Of course it does. We have the following scripture:

*"For **the invisible things of him from the creation of the world** are clearly seen, being **understood by the things that are made**, even his eternal power and Godhead; so that they are **without excuse**:" ([Rom 1:20](#))*

## **WHAT ARE HIS INVISIBLE THINGS FROM THE CREATION OF THE WORLD?**

There is another scripture

*Through faith we understand that the worlds were framed by the word of God, so that things **which are seen were not made of things which do appear**. ([Heb11:3](#)).*

This simply means the things we see are made up of invisible particles like atoms and so on. We can't see them with the natural eye.

Ever since the world came into existence God has been known through his creation of three's.

## **ARE CLEARLY SEEN?**

Some people are saved looking at creation and coming to the conclusion that there is a God eg a watch has a maker, a building has a builder.

Now the world had a creator just like a watch or a computer.

## **WHAT IS ORGANIZED INFORMATION?**

Suppose you come across 12 bricks in the desert of 6 layers of two's laid on each other at right angles. Did they come together by chance? Of course not! Someone created them like that, in addition to their making the bricks as well.

How long would it take for a broken-up watch to come together in a box? Never!

Suppose two men stumble across a bark hut on a desert island? Do they assume evolution? Of course not, they say "Yipee! There's someone here on the island." The bark hut couldn't manufacture itself by itself.

The same two men find an aluminium can with the letters 'Coca Cola' on it? Do they think it evolved there by itself on the island. Of course not! It had a creator.

## **BEING UNDERSTOOD BY THE THINGS THAT ARE MADE, EVEN HIS ETERNAL POWER AND GODHEAD**

This means man is a 'thing' that has been made by Jesus Christ himself and he can see that God has expressed himself in creation and the world in **"THREE'S"!**

**THE FOLLOWING TABLE** demonstrates this fact:

## THAT THEY ARE WITHOUT EXCUSE

Today God's made it even easier! Anyone can pick the Bible and believe. **A person really has to struggle and fight tooth and nail to get to hell!**
