

“THE NED FLANDERS VERSION – THE NFV”

“It’s all a matter of **PREFERENCE!**”

Now Ned is very excited about his new version translation. He’s called it “The Ned Flanders Version”. You see, Ned **PREFERS** to get along with people. His motto is “To get along you have to go along”. Ned doesn’t like to upset people and so he has **re-written** The King James Bible. Ned **PREFERS** to **substitute** in his own words, **change** the meanings, **add** and **subtract** words while **eliminating** a lot of others as the following shows.

Ned **PREFERS** the word “**hades**” to “**hell**” as this could upset, not only the unsaved people like Seventh Day Adventists and Mormons, but also those sensitive people who call themselves ‘christians’, who have relatives that have died but don’t like to think they are being tormented in the literal flames of hell fire.

Ned **PREFERS** “**hades**” which is a very nice resting place under the earth for departed spirits.

Ned **PREFERS** to eliminate the word ‘**damnation**’, being too strong a word that is associated with “hell”.

Ned prefers to downgrade the ‘**blood of Jesus**’ as this word upsets vegans and vegetarians. I mean how is Ned going to get these people to read a Bible with blood in it? Isn’t it better to **PREFER** a bible with only a little bit of blood in it. “I know we have to have some ‘blood’” said Ned “but I **PREFER** to water it down a smidge.”

Ned **PREFERS** to eliminate the word “**sodomites**” as this will upset churchgoers who have sons or relatives of ‘such persuasion’. I mean the King James Bible is categorically forthright about this sort of thing. Ned **PREFERS** to use the words “perverted ones” ([1Kings 14:24](#);) and “ritual harlots” for “whores” ([Deut 23:17](#)). The King James Bible calls them sinners.

*“...men of Sodom were wicked and **sinner**s before the LORD exceedingly.” (King James Bible [Gen 13:13](#))*

*“... men of Sodom were exceedingly wicked and **sinful** against the LORD.” (Ned Flanders Version [Gen 13:13](#))*

Dear Reader can you see what Ned has done? Ned **PREFERS** to call them sinful but not sinners!

Ned **PREFERS** to remove the word “**unknown**” from being associated with **tongues** (1Cor 14) as this will upset the Pentecostals, Charismatics and the ‘spirit-filled’ who are firmly convinced they speak the real thing. Ned **PREFERS** to cloud the issue by **PREFERRING** to leave out the word “unknown”.

Ned **PREFERS** to substitute the word “**Passover**” for “**Easter**” so as not to upset the Catholics and their pagan festival of Easter. Ned **PREFERS** the totally wrong word of “Passover”

Ned **PREFERS** the softer word of ‘**demons**’ to the harsher word of “**devils**” as he doesn’t want to scare little children, squeamish adults and New Agers.

Furthermore, feminists and gender equality crowd get riled up at Adam having a wife “... **an help meet for him...**”, so Ned **PREFERS** to use the phrase “...**helper comparable to him...**”

In addition, Ned has re-written his bible **PREFERRING** that **Jesus is not God** so as not to offend certain religions who say that Jesus was created not begotten. So Ned **PREFERS** to willfully destroy the most wonderful Bible promise that “...**God will provide himself...**” as the lamb, with the opposite “...**God will provide for himself the lamb**”. ([Gen 22:8](#)).

If not enough, Ned **PREFERS** to deliberately remove the words “**Lord**” 66 times, “**God**” 51 times, “**repent**” 44 times and “**new testament**” completely.

Ned further bootlicks his way into the graces of the prosperity crowd as God says to withdraw from those who **suppose** that their financial **gain is a result of their godliness** ([1Tim 6:5](#)). Ned **PREFERS** to let these people off the hook by **PREFERRING** to call these people the opposite with **godliness is a means of gain**.

Ned **PREFERS** not to upset the pagans, the witches and those that sacrifice children, by **PREFERRING** to call God as “**YAH**” ([Is 12:2](#); [26:4](#)) which is the name of a pagan fertility god. Ned also **PREFERS** to call Jehovah by the name **Yahweh**, knowing it is the name of an ancient pagan rain god.

Ned **PREFERS** that all things were **made through Jesus** and not **by Jesus** ([John 1:3](#)) so as not to downgrade the importance of angels in the eyes of the Jews and deep thinking gnostics.

Ned **PREFERS** to leave out the word ‘**not**’ in order to stop Christ returning to earth at his 2nd advent ([Is 9:3](#)). Ned **PREFERS** not to upset the Roman Catholics as they don’t want Christ to return either.

But that’s Ned! What a great guy? He’d say “Read whatever bible you like, but me and **Warren Wiersbe** (**WHO?** google him up) **PREFER** my version – The Ned Flanders Version.

BUT WE SCRATCH OUR HEADS!

Why did Ned waste tens of thousands of hours rewriting his own bible?

**He simply could have simply switched to
THE NEW KING JAMES VERSION like Warren!**

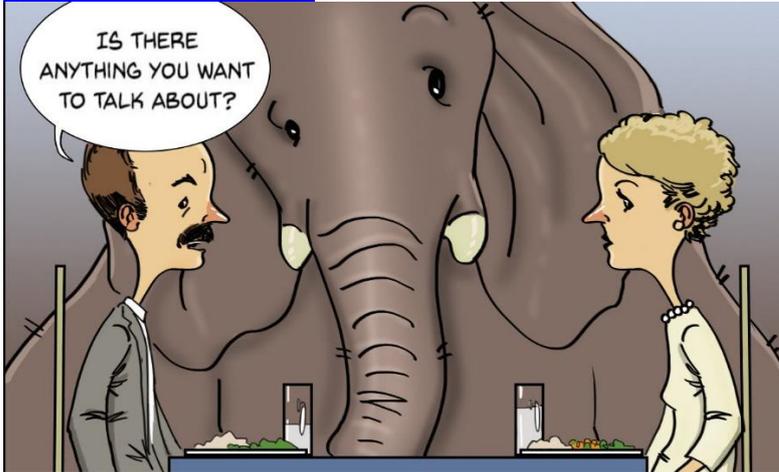

**The Ned Flanders Version perfectly matches the words of
The New King James Version.
“Dear Reader, do you know anyone who PREFERS the NKJV?”**
