

## "ONE OF THE MOST DANGEROUS VERSES IN THE BIBLE ..."

The following verse "*Your father **ABRAHAM REJOICED TO SEE MY DAY:** and he saw it, and was glad.*" John 8:56 is generally mis-read and mis-understood as follows:

**"Abraham saw Jesus shedding his atoning blood on the Roman cross and Abraham saw his resurrection and rejoiced"**

**This Satanic gross mis-interpretation enables false teachers, hirelings and brutish pastors to peddle the lie that men in the OT were saved by looking forward to the cross, and since we are saved by looking back to it, both groups were saved the same way!!**

Some facts:

1. Not even Peter and John **"saw"** the resurrection **after it took place** (John 20:9)
2. Neither Peter, James and John **"saw"** Christ's resurrection from the dead after he told them about it (Mark 9:10)
3. Christ's day did **not** show Abraham anything about the gospel as defined in 1Corinthians 15:3-4 and Galatians 1:8-12.
4. If Abraham saw it, then Moses, David, Isaac, Jacob, Joseph, Judah and Gideon all **"looked forward to the cross to get saved"**. Of course they didn't!
5. Crucifixion was not a major form of capital punishment for **any** nation until the Assyrians rose to power around 900BC.

### **OLD TESTAMENT SALVATION IS NOT THE SAME AS NEW TESTAMENT SALVATION**

1. No saint in the OT had his sins **taken away** (Heb 10:4)
2. No saint in the OT has his sins **redeemed** (Heb 9:15; Ex 34:7; Rom 3:25; Col 1:14)
3. No saint in the OT became a **member** of Christ's body (Eph 5:30; 1Cor 12:13)
4. No saint in the OT was **born again** (Ps 22:30-31)
5. No saint in the OT, including Abraham was **spiritually circumcised** (Col 2:11)

In their sinful rush to tell us **what the verse MEANS**, they ignore **what the verse SAYS**.

Abraham **did not** see **ANYTHING** taking place at Calvary or the tomb and he **did not** see Christ dying on the cross. What he saw was a **type** of what would take place about 1850 years later.

Abraham **"saw"** Christ's **"day"** in that he looked forward to the resurrection of **his own son AFTER** he was going to slay him (Gen 22:5). By obeying God, Abraham showed he believed **three things** without even guessing they would be applied to someone else 1800 years after he died.

Using the **typology** of Abraham representing God and Isaac as Jesus Christ -

1. Abraham **saw** his own son Isaac **obey** him (Christ obeys God the Father)
2. Abraham **saw** his own son Isaac allowing him to **kill** him (Christ lets the Father to kill him)
3. Abraham **saw** that God would **resurrect** his own son (God resurrects Christ)

He **NEVER** saw a 'video' of the death, burial and resurrection of Christ in any way, shape or form.

With not understanding this verse, in combination with Hebrews 13:8, this Satanic "historic position" of men in the OT were saved as men in the NT, completely destroys the real meaning to be found in two of the hardest books in the Bible to be understood - **Matthew** and **Hebrews**, with the former outlining the difference between the kingdom of heaven and the kingdom of God, and the latter book, in **NOT** being written to Christians.

This **Satanic false doctrine** brings to nought the word of God and eliminates the understanding of

1. **Dispensations**
2. **Kingdom of heaven theology** as contained in the book of Matthew
3. The book of Hebrews is **not** written to Christians
