

THE LATEST 5TH COLUMN IN CHRISTIAN CHURCHES ... "THE DOCTRINES OF GRACE aka GRACIE"

A **5th column** is a group of **secret** sympathizers or supporters of an enemy that engage in espionage or sabotage from within defence lines or national borders.

The term has its roots in the Spanish civil war, where, as four columns of the rebel General Vidal's army approached Madrid in an attempt to seize the capital, he referred to a secret **5th column of supporters** within Madrid, who were working to undermine the Loyalist government **from the inside**.

Within the Christian church, there are **three** main groups of 5th columnists ...

1. Those that revert to '[the Greek](#)' instead of studying the plain English
2. Those that use the **New King James Version (NKJV)** ... indeed any other version
3. [The Doctrines of Grace believers](#) (**Gracie**) aka Calvinists (**Cally**) aka Roman Catholicism aka Augustinians ... who vehemently **oppose Paul's justification by imputed grace**.

Gracie and Cally substitute instead ... the blasphemous justification by infused grace that happens (which it **doesn't**) with a pre-salvation Holy Spirit hypodermic injection, that regenerates (it **doesn't**) and gives birth to an unbeliever (he becomes born again ... which he **doesn't**) before he can get saved.

Yes, these are the white ants, the termites and the destroyers of Christianity, that lie firmly entrenched.

Number three above is the latest 5th Column ... [although Roman Catholicism aka Calvinism has been around for centuries](#).

It now has a new name ... [we'll call her Gracie ... what a lovely name!](#)

Of course she has an older sister called **Cally** ... but both are exactly alike.

In a lot of churches, **Cally** is on stage at the moment ... but is now being rushed off (Stage Left they call it) and **Gracie** ushered in ... enter Stage Right.

How is this possible you say?

Christians are no longer concerned with sound doctrine ... and in fact ... are obsessed with some Messianic Jews on the internet talking about the end times. You know ... Russia is doing this ... and the Ukraine are doing that ... while China is doing something else ... and all the while Europe is just about to elect the antichrist.

If you start talking about [Paul's doctrine of justification ...](#) that is imputed grace ... it seems to be about as relevant as ice blocks at the North Pole ... yawn! no-one wants to hear about it.
