

## "ROME'S BRIDGE INTO CHRISTIANITY – THE TROJAN HORSE of THE DOCTRINES OF GRACE"

Unable to conquer the city of Troy after a fruitless ten year siege, the Greeks, after constructing a large wooden horse with a few soldiers hidden inside, left it outside the city, as a present, and sailed away ... as if to say they had been defeated.

Shouting victory, and claiming the horse as a trophy, the Trojans dragged it into the city ... unawares that the Greeks had sailed back under cover of darkness.

That night, the hidden soldiers in the horse emerged under the cover of darkness, and opened the gates for the rest of the returned Greek army. The Greeks entered, destroyed the city and won the war.

Now taking a leaf out of the Greek manual, **Rome** has done the same thing ... with the gift of a **Trojan horse called 'The Doctrines of Grace'** with its **Calvinist soldiers inside**.

The Christian church has hauled this gift into its midst claiming the grace gift supplied by Rome.

But Dear Reader ... have a think ... what better way for Roman Catholicism to enter into a Christian church than under the title 'grace'.

Christians love the word "grace" and the scriptures that go along with it ... Paul mentions the word 89 times in Romans to Philemon. To wit:

*"Being **justified freely by his grace** through the redemption that is in Christ Jesus:"*  
([Romans 3:24](#))

*"Now to him that worketh is the reward not reckoned of **grace**, but of debt."* ([Romans 4:4](#))

*"To the praise of the glory of his **grace**, wherein he hath made us accepted in the beloved."* ([Ephesians 1:6](#))

*"For by **grace** are ye saved through faith; and that not of yourselves: it is the gift of God:"*  
([Ephesians 2:8](#))

*"That being **justified by his grace**, we should be made heirs according to the hope of eternal life." ([Titus 3:7](#))*

But Dear Reader, don't ever be fooled ... 'The Doctrines of Grace' (DOG) grace is **not** the Pauline **imputed** grace ... but the Calvinistic banner of **infused** grace and its Doctrines of Grace.

But The Doctrines of Grace believers ... also known as Calvinists, which come out of the stables of Rome, have highjacked the term and wrongly given it an entirely different meaning ... that of **infused grace**.

Their source is easily traced back to the Doctor himself ... the blasphemous doctor of Rome ... **Augustine!**

Now Dear Reader, can you believe the following **pagan capriciousness** that The Doctrines of Grace people attribute to a loving God?

You see, the believers their God **selects, calls, chooses** some people **before** the foundation of the world for their future salvation ... several thousand years down the track.

Their God randomly throws out handfuls of spiritual rice ... sort of like people at a wedding being hit with a few grains of the real thing.

Now because men are **totally depraved, the selected ones**, the ones hit with a grain of rice ... the ones chosen ... are **not** able of their own free will to believe on the Lord Jesus Christ and get saved ... so their God has to give them a hand with some **pre-salvation infusion of Holy Spirit grace** ... like a some sort of spiritual needle to revive the dead spiritual corpse, so that the semi-conscious and spiritually revived carcass, can then believe on the Lord Jesus Christ and get saved.

Now Dear Reader, if you **haven't** been selected by God, as one of the chosen ones, for this pre-salvation, spiritual hypodermic, of an infusion of the Holy Spirit ... then as the popular saying goes ... "**You're stuffed!**" ... just like a dead animal at the taxidermist ... never be revived.

**Too bad! So sad! And there is nothing you can do about it.**

**... and Dear Reader, this is 'wonderful' and 'comforting' gospel of The Doctrines of Grace!!**

**Cross your fingers ... you have either been selected or you haven't!**

**Don't worry about salvation ... avoiding hell or going to heaven ... it's all been pre-determined by a 'loving' God.**

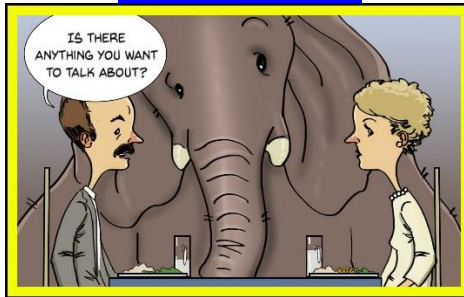

Dear Reader ... Dave Hunt's book is titled "What Love is This?" ... get it and have read.
