

**“THE ONLY THING YOU’LL EVER NEED TO REFUTE A CALVINIST
aka ‘THE DOCTRINES OF GRACE’ ([DOG](#)) BELIEVER”**

Sweep away the sole leg, **Total Depravity (TD)**, that a Calvinist aka the DOG believer stands upon, and the rest of his doctrine crumbles into dust.

Yes, Dear Reader, watch **TD** and all his friends **Unconditional Election, Limited Atonement, Irresistible Grace** and **Perseverance of the Saints** ... disappear over the precipice ... like one of those trucks you see on TV, with all the baddies inside. Whooshka! They’re gone ... aaaw! Ain’t that a shame!

And how do we do it?

It’s extremely simple. Now professing themselves to be superior linguists (which they are not) and master etymologists (which they are not), we use their favourite phrases **against them** by showing them what they really mean.

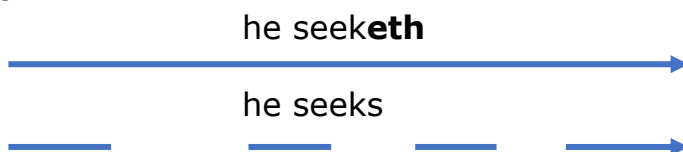

To wit:

*¹⁰ As it is written, There is none righteous, no, not one: ¹¹ There is **none that understandeth**, there is **none that seeketh after God**. ¹² They are all gone out of the way, they are together become unprofitable; there is **none that doeth good**, no, not one. ([Romans 3:10-12](#))*

Not even having the English word and grammar skills of a fifth grader, and disappearing into the Greek language of which they know far less about, they suffer the **Colossian heresy** ... that of a secret, deep and **hidden knowledge** called **Gnosticism**.

It all centres on the ending of “**-eth**”, which when attached to a verb, it means **present** and **on-going** ... **without a break** ... it is **continuous**.

For example:

Correct! We agree there are no unbelievers that “understandeth, seeketh or doeth” ... that is every second of the day ... but occasionally they will “understand, seek and do”.

Conclusion: The Totally Depraved person is not Totally Depraved. Yes Dear Reader, the unsaved man will, from time to time, understand, seek and do good.

So, Dear Reader, can you see what a complete **pig's breakfast** the blasphemous Calvinist, aka the DOG, makes of these basic words.

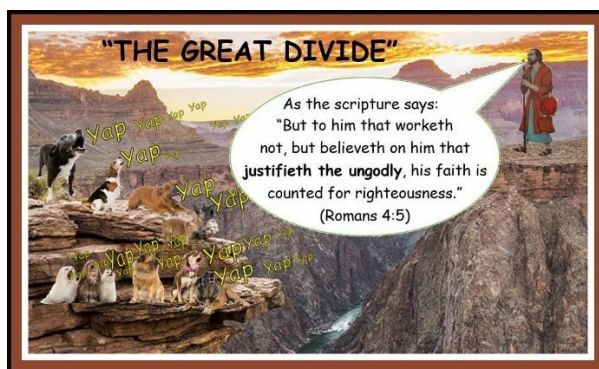

You can teach this to a ten year old, and they will see that an **unbeliever**, of **his own free will, can seek, understand and do** ... and this without having been **'selected'** as some sort of a mindless robot, to receive a pre-salvation Holy Spirit hypodermic, in order to be born again and regenerated ... before he can believe and get saved.

Moral of the story:

A very simple knowledge of English grammar will sort the Pauline sheep from the Augustinian goats aka the Calvinist aka the DOG!

If they studied the basics of the English language, there would have been no Calvinist, aka DOG, anywhere, any time or any place on earth. QED ... point proven!
