

**"DRAVE? ... DROVE? ... WHAT'S THE DIFFERENCE? WHO CARES?"**

**God does!  
Otherwise he wouldn't  
have put it in the Bible.**

When I went to school in the 50's and 60's, there was a part of English called **parsing**.

It comes from the word '**parts**' ... whereby a sentence was put into it's **parts** ... like subject, verb and predicate (the part of the sentence that came after the subject and verb).

Anyhow, we were taught every **verb had three tenses** ... past, present and future.

Take the verb "**DRIVE**" for example ...

the **present** tense of the verb 'drive' is "Today I **drive**"

the **past** tense of the verb 'drive' is "Yesterday I **drove**"

the **future** tense of the verb 'drive' is "I will be **driving**"

So what's this word "**drave**" all about? What does it mean? Why would God put it in the Bible? It's used 13 times in 13 verses.

A general rule/mostly in Bible study is to check out the meaning of a word used **with its first mention**.

*"And (God) **took off their chariot wheels**, that they **drave them HEAVILY**: so that the Egyptians said, Let us flee from the face of Israel; for the LORD fighteth for them against the Egyptians." ([Exodus 14:25](#))*

Yes Dear Reader, imagine driving your car on the road with punctured tyres? How about an Egyptian chariot with **no wheels through the sand** ... it can be done ... but the horses will be **exhausted**. It's **hard driving**!

Yes Dear Raeder, this is what is called **DRAVING! Plain hard yakka! Heavy driving!**

Yes Dear Raeder, this is what is called **DRAVING! Plain hard yakka! Heavy driving!**

You will notice that this is **not** a word used in TV ads for cars ... where everything is described as **effortless** driving ... with **maximum fuel**

However, if the word '**drave**' was to be used in a **TV car** advertisement ... it would be "Hey couch potato, imagine getting into this little number ... we guarantee you **won't be draving** when you get behind the wheel with this model."

**God's King James Bible** is like a brain surgeon operating with **laser technology**.

**Satan's 'Bible' versions (NIV, NKJV, NASV etc)** are like brain surgeons operating with **blunt scalpels**.

But ... God's not twisting your arm on which Bible to read. That's up to you. But what will you tell him ...
