

“HOW A CHRISTIAN CAN BECOME A CALVINIST, A WATER DUNKER, A USER OF THE GREEK, A GAP THEORIST, A ‘TONGUES’ SPEAKER, A TITHING BAPTIST AND A DISPENSATIONAL IGNORAMOUS”

It’s very simple ... no effort required ... believing any **ONE** of the following **fourteen** will do!

“But ... but ... but ... ” you say **“they’re all different!”**

Dear Reader ... **“No ... they are not!** The common denominator is **YOUR** power of **reasoning** and **deduction** ... it all boils down to what **YOU** will believe!”

1. Believe that the English words of the King James Bible ... you have in your hand ... are **not** perfect, infallible, inspired and inerrant.
2. When you read the King James Bible ... have the belief ... conscious or unconscious ... that it has **errors**.
3. Be sure in your mind that God’s final written authority ... the King James Bible ... is only error free ... as far **as the originals have been correctly translated**.
4. When people ask you what you believe ... simply hand them your **church denomination’s constitution**.
5. When reading the King James Bible, always have in your mind that God could have used **better words** and **phrases**.
6. Know that your **favourite TV evangelist/pastor/Bible commentator** has a superior knowledge of the Bible than what God has written.
7. Use **the Greek** to give a deeper insight as to what the plain English says.

8. When joining a church, sign up to become a **member** ... and **obey** the rules ... you know as the saying goes, 'If you what to get along you have to go along'.
9. Believe that **the kingdom of heaven** and **the kingdom of God** are the same.
10. If the King James English has been translated from the Greek, then the English must be **inferior**.
11. Believe that ... there is **nothing too hard for God** ... **except** getting mankind his final written authority in his perfect, inerrant, infallible and inspired form.
12. Disregard the various **dispensations** as presented in the Bible.
13. **Do not follow Paul** as he follows Christ. Why? There's **Peter** and the **gospel writers** ... **James, Jude** and **John** ... even the **Old Testament** ... to pick and choose from.
14. Believe that all verses in the Bible are **equal** for doctrine.

IN CONCLUSION ...

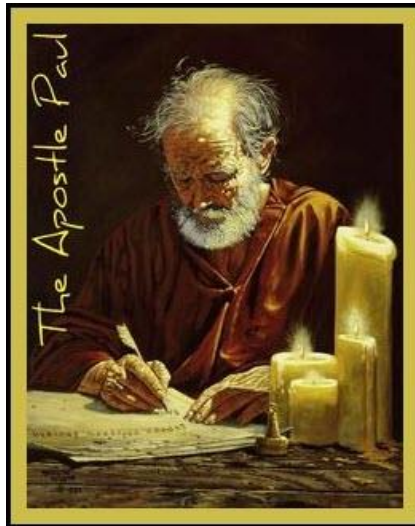

As Christ is the **Word**, his most valuable possession are his **words** ... **continuously purified for translation into the perfect English** ... from the ancient languages and the incomplete Greek.

Mmmm! Do you think that God might be saying ...

"Sniff! Sniff! Among other heresies, I smell another **Calvinist, water dunker, Greek user, gap theorist, 'tongues' speaker, tithing Baptist, dispensational ignoramous!**"
