

"THE ORIGINAL AUTOGRAPHS"

Dear Reader,

I know a certain man, who for many years, has pondered on the following question ...

"Why do mad dogs bite?"

After never ending years of fruitless research, he moved onto the next question ...

"Why do birds fly?" ... only to be met with the same result ... zilch! zero! zippo!

Then it was **"Why do hens lay eggs?"** ... nada! nought! nil!

Suddenly ... it dawned on him ... he was taking the wrong approach ... he needed to question his questions!

His revelation was this ... **he was asking stupid questions!**

The real answer to all of his questions was ...

"There are no answers! They just do! It's in their DNA! It's instinct!"

So instantly, he was relieved of the burden he was causing himself by asking "Why Lord ... do Christians, indeed the unsaved, keep on promoting the blasphemous lie of the 'Originals?'"

Answer: It's in their DNA! They can't help themselves! They're like rats on a wheel!

Indeed, similarly, Christ knew the following ...

*"Therefore speak I to them (Israel) in **parables**: because **they seeing see not**; and **hearing they hear not**, neither do they understand."* ([Matthew 13:13](#)).

It is called ... **The Jewish Curse (J.C.)** ... and summed up beautifully with the following ...

*"And whosoever shall fall on this stone (Christ) **shall be broken**: but on whomsoever it shall fall, it will **grind him to powder**."* ([Matthew 21:44](#)) ... in the lingua franca ... Israel had to believe him or leave him ... love him or shove him.

Now here's the thing Dear Reader, here's a spiritual law ... wherever you park your car in the scriptures, you will be **blessed** or **cursed**. Amen!

I mean, if you don't get out of the Old Testament, you end up as a **[Jehovah's Witness](#)**.

I mean, if you don't get out the gospels, Matthew through John, you'll wind up a **[Messianic](#)**.

I mean, if you get stuck between the gospels and Paul, [you wind up a Baptist ... you know ... maybe saved maybe not ...](#) still fueling the car with the sand of the kingdom of heaven doctrine.

I mean if you rabbit on about Peter being equal to Paul, the RACQ (NRMA) will be coming out to tow you away.

So what is the **Jewish Curse**?

It is that Israel, [impudent and hardhearted](#) ([Ezekiel 3:7](#)) had **predetermined** who their Messiah would be ... and still do.

Similarly, those who will **not** understand the difference between the kingdom of heaven and the kingdom of God ... vacuously yapping on about the 'originals' ... also come under the Jewish Curse ... and there is humanly nothing that can be done for them. **It's in the DNA.**

And so Dear Reader, they **will not** listen to reason and sound doctrine, as they have made up their minds as to where the scriptures lie ... [in the 'originals'!](#)

Now here's the thing Dear Reader ... will not? or can not? ... the end is still a disaster.

Like the man who will not ... or doesn't know how to ... be the Christian head of his family ... trouble on the home front ... hello 'divorce' court!

So the 'originals' believers, **impudently** and **hardheartedly** have this written in their church constitutions, thereby **brazenly** and **proudly** waving their fist at God Almighty, with all the **voluntary humility** ([Colossian 2:16](#)) they can muster ... "**OUR CONSTITUTION IS OUR SCRIPTURES!**"

God says "Hello? Mmmm! Bad move!"

The result ... becoming **double minded** they receive nothing ([James 1:8](#); [4:8](#)) ... er ... maybe some weeds, moss, chaff and egg shells ... but nothing really edible ... hello spiritual anorexia.

Yes Folks, they are **SIMPLY WEAK IN THE FAITH** ([Romans 14:1](#)) by not believing their God is Almighty ... yes ... they will not say it ... they choke ... [as their God is simply a sovereign god ... a term not in the Bible ...](#) it is too hard for them to believe ... that an Almighty God could give us the infallible, inerrant and inspired scriptures in the English of the King James Bible ([Genesis 18:14](#)).

Dear Reader, I hope to write more on this as the Lord leads.

In the meantime, there's plenty to snack on in this website ... enough to choke a kangaroo ... to answer all your questions about the 'originals'.
