

"THE SIGNIFICANCE OF THE QUEEN'S DEATH"

Great Britain was founded by God Almighty to bring to the world, his **word** ... the **perfect, inerrant, infallible** and **inspired** scriptures known as **The King James Bible, The Authorized Bible, The Holy Bible.**

Great Britain, as any student of history knows, was, and is still today, inhabited by every European race, indeed the whole world.

This is why many of the English words are similar to French, Germans and Italians, and so on, as **transliterated** words.

This is why **The King James Bible** has inherent universal appeal.

If God had wanted the perfect Bible for the world to be in French, he would have let France conquer the world. Should God have wanted the perfect Bible to be in German, he would have let Germany conquer the world.

Now the Apostle Paul tells us about the spread of Christianity to the whole world with

*"First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout **the whole world.**" ([Romans 1:8](#))*

*"But now is made manifest, and by the scriptures of the prophets, according to the commandment of the everlasting God, **made known to all nations** for the obedience of faith:" ([Romans 16:26](#))*

And that is exactly what happened. From the **ORIGINAL LANGUAGES, NOT the ORIGINAL MANUSCRIPTS** WHICH HAVE LONG SINCE DISAPPEARED FROM THE FACE OF THE EARTH, scraps of paper, parchments, miniscules, majuscules, texts, books, lectionaries, preaching and teaching notes and so on, flooded the world.

The Bible never refers to any 'originals' but simply the scriptures. Yes, Timothy was reading and studying a copy of a copy of a copy and so on, when Paul writes *"And that from a child thou hast known **the holy scriptures** ..." ([2 Timothy 3:15](#)).*

When people use the word "originals" or "original manuscripts" or indeed, "the Greek says", run for the hills Dear Reader, as you can be sure that a **Pied Piper** is on his sophist flute. Yes, Pastor Pied Piper loves the wriggle room that comes from interpreting the scriptures according to his tradition and denominational beliefs ... these are to be found in The Church Constitution. Ah yes Dear Reader, The King James is eased aside with another Bible called The Church Constitution.

It's interesting to note that all manuscripts and written notes were passed down from **Adam**, YES ADAM COULD READ AND WRITE (please contact ABM for evidence on this) to **Methuselah**, whose lives overlapped each other by **283 years!**

Anyhow, to cut a long story short, God Almighty waited till the study of **ALL** the languages in the world was at its highest, that's correct, not just the Greek and the Hebrew, and then produced what is commonly called The King James Bible.

By the way, it's **NOT** the King James **VERSION** as that makes it one of over 300 versions that have been printed. No folks, as it is said **one God, one Jesus Christ, one Holy Ghost** and **one Bible**. Christ is called **the** Word, not **a** Word, and so just by reason ([Isaiah 1:18](#)), he will have one word.

Yes, the translators were absolute masters of all languages that mattered, and with the carefulness of brain surgeons, delicately, methodically and forensically sifted through the thousands of pieces of written material, and so produced the perfect Bible for all races and nations.

You'll hear "Oh! The Greek!" but the Bible is not the Greek! The Bible is not the Hebrew! The Bible is the combination of Greek and Hebrew **plus ALL the other languages** in the world.

Dean John Burgon said the Textus Receptus, of which there are many versions, and all disagree with each other, needed correction in about 1,000 places. So much for the Greek!

It's interesting to note that all the business and communication of the world is conducted in English. The common language is English for all nations. All people everywhere want to read and write English. Coincidence? NAY! God wants all to read the perfect Bible. I used to say The King James Bible was the perfect Bible for English speakers everywhere, but it is the perfect Bible for **all** races and nations.

Anyhow, to bring all this to a close, the Queen was **a defender of The Faith** ([Jude 1:3](#)). The Queen is dead! Hello the king!

Methinks that God just might be sending a signal as to the upcoming events, called God's wrath, about to swamp the world with **king** Charles defending **all faiths**, being in direct opposition to **the faith** of The **King** James Bible. Isn't that weird folks?

That is the spiritual significance of the death of Queen Elizabeth!

Ta! Ta! True faith! You cannot be officially found anymore! The written Light that lighteth ([John 1:9](#)) has now been extinguished.

Ladies and Gentlemen, would you please fasten your tray tables and return your seats to the upright position. There is turbulence ahead ... and ... er ... um ... the pilot has lost all control of all the instrumentation.
