

**"THE BOOK OF MORMON"**

It's no wonder that the **Mormons want to change their name** to The Church of Jesus Christ of Latter-day Saints ... as their Book of Mormon has been an **absolute fabrication of lies, fairy stories, psychedelia and late night pizza dreams.**

The Book of Mormon claims to be an inspired record of early Christianity.

It purports to give an account of Christ appearing in America to natives who were allegedly the descendants of certain Jews who supposedly sailed the Atlantic Ocean to the new world ... where they built large cities, fought wars and so on and so on.

On a scale of truth of 0 ... 100, **the Book of Mormon scores ZERO!** It is an outright lie from start to finish ... it is **a book of pure fiction and make-believe** ... like the Bhagavad-Gita and the Hindu Vedas.

The Church of Jesus Christ of Latter-day Saints aka the Mormons ... have spared no amount of time, effort and money with archaeological diggings to prove and authenticate their Book of Mormon. **They have utterly failed!** What they proved was that they are nothing but a bunch of liars.

The Mormon church have spent decades of exploration in North, Central and South America. With an absolute mammoth effort of archaeological digging, supported by the vast wealth and perseverance of the Mormon church, they have come up with **ZERO** ... that is ... **0%** ... that is ... **nana** ... that is ... **zilch** ... that is ... **not a scrap** of evidence, to support the claims of the Book of Mormon. They have come up with nothing despite their dogged determination.

I mean really, what an absolute disappointment and catastrophe for them!

They travelled up rivers, climbed mountains and covered every bit of topography they could.

There was **NO TRACE** of large cities, no ruins, no documents, no coins, no monuments, no names and no writings of anything ... no stone was left unturned in their search to verify their religious Book of Mormon.

Dear Reader, little children aren't the only ones with Fairy Tales ... the Mormon has his Book of Mormon.

It is truly unbelievable that the Mormon church would even attempt to carry on its business ... but then again the love of money is the root of all evil ([1 Timothy 6:10](#)).

The Mormons has a good little money earner going on ... what do you reckon?

In trying to convince the world that what is written in the Book of Mormon really happened, they have had to fabricate, lie, deceive and concoct a make-believe religious soap opera ... it truly is laughable ... if it wasn't so serious!

History is founded on fact ... not fiction and smoke and mirrors.

No wonder they changed their name to The Church of Jesus Christ of Latter-day Saints ...

"The Mormon Church? That's not us! That's not our name!"

As the saying goes "Never let the facts get in the way of a good story".
