

“VOODOO AND TODAY’S PENTECOSTALISM AND ITS RISE IN AFRICA”

African religions ... also known as **Voodoo** ... are the **combination of Roman Catholicism** and **devil inhabitations**.

Today’s **Pentecostalism** is simply ‘**christian**’ **Voodoo** ... is the combination of **Roman Catholicism** and **man’s spirit/Satan’s inhabitations**.

What starts out as a promotion of man’s own **voluntary** spirit inhabitation ... with repetitions of meaningless sounds (oooshadabalamashaboolooaaah)... opens the door to familiar spirits ... which can then lead into satanic inhabitations. Hello Voodoo!

This process simply knocks out **all** rational and logical thought ... and is the basis of Hindu meditation to ‘clear the mind’.

It is akin to getting on drugs and thinking you’re a genius with brilliant thoughts.

Pentecost tongues were one of the **17 proper languages** spoken at Pentecost, but today’s efforts are simply a series of repeated made-up sounds that mostly start off as a **voluntary flesh** expression. With this **open** window, Satan can then slip in as **the angel of light** (2 Corinthians 11:14-15) with his counterfeit spirits.

The Christian church has welcomed the **as** cloves of fire and tongues of Pentecost (Acts 2) as a Christian practice ... which it **NEVER EVER** should have.

True and proper Pentecost was a **past** dispensation for Israel **ALONE** ... and **never** for the church.

Today’s babbling (false tongues), combined with twirling sufi (Moslem) movements ... seen in churches today ... produces all sorts of **strange voodoo acts** of **howling** and **floor writhing** and **out of mind** experiences.

If you want to transcend the real world today, and lose your mind, get a **word**, or **series of sounds**, and **voluntarily repeat** them over and over again ... say 500 times or more.

What you will find is ‘**clarity**’ of mind and a **euphoria** that defies description ... as the sound thinking and reasoning mind is susoended out of action (2 Timothy 1:7).

After practising this for a while, the flesh mind is then open to familiar spirits and satanic influences, and this feels **like** the real thing of the Holy Spirit ... but this is **not**. This is also known as **Transcendental Meditation (TM)**.

Today's Pentecostalism is greatly welcomed by Roman Catholicism, and promoted by Rome as **the 'spirit' bridge** that brings the **separated** brethren ... that is true Christians ... back into the fold of Mother Church in Rome. Rome's motto is "It's the 'Spirit' that will be the glue to re-join the separated ... not Jesus Christ". It looks like this ...

Today's Pentecostalism
aka Rome's 'spirit' bridge

Voodoo

Roman Catholicism

Christian churches

This **spirit bridge** (**not** God's Spirit) only uses the name of **Jesus** for respectability.

Pentecostalism today is man's spirit and Satan based ... but not Holy Spirit based.

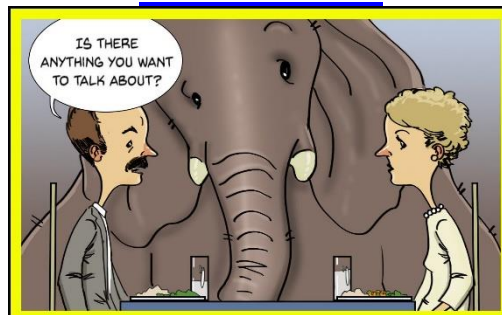

The author of this article, and his wife, **were** heavily involved in all aspects of new age beliefs, psychology, Charismania and the false tongue speaking of today's Pentecostalism.

Today's Pentecostalism is nothing but **Roman Catholic 'christian' Voodoo**.
