

**"DID YOU HEAR ABOUT THE ATHLETE
WHOSE DIET WAS CAKES AND PIES?"**
aka "How to Weaken a Christian"
(an article about Westcott & Hort and the NKJV)

What about the mountain climber who used inferior couplings, hooks and ropes?

What about the welder who put Cling Wrap over his eyes instead of proper safety glasses?

Yes Dear Reader, sadly these all ended up in disaster ... with the athlete ... too fat and lazy ... and **unable** to race against the opposition ... the mountain climber ending up in a **wheel chair** ... and the welder going **blind**.

Don't get me wrong, they're all still living ... but what do you reckon ... maybe they aren't enjoying life to its fullest?

But here's what makes me shake my head ... and it would be funny if it weren't so serious ... **Christians consuming their New King James Version!**

Hello?... Slippery slide! Easy peasy! Reads like a newspaper!

You see **THE NKJV IS BASED ON THE WRITINGS OF WESTCOTT AND HORT.**

Well, what's wrong with that you say?

Westcott (1825-1903) and Hort (1828-1892) **are now burning in hell ... two unsaved ministers of the Anglican Church.**

Schock! Horror! Wheeze! Gasp! Where many of the unsaved ministers of today will end up.

Westcott and Hort believed the following ...

1. Heaven only existed in **the mind of man** ... it wasn't a real place.

2. That you could **communicate with the dead** ... and they organized a society called "The Ghostly Guild"

3. That you could **pray for the dead**.

4. Mary, the mother of Jesus, should be **worshipped**

5. Agreed with **Darwin** and his theory of **evolution**

Even the basic observer knows they convinced the **Revision Committee of 1871-1881** of the **corrupt Alexandrian texts** ... at the expense of the **true and proper Antiochian manuscripts**.

Vastly inferior to the Textus Receptus, they manufactured their own **false Greek text from the Alexandrian manuscripts**.

They secretly ... bit by bit ... wheedled with flattery, argument and downright opposition ... in pushing their satanic 'scriptures' and beliefs ... into the Revision Committee ... to the point where dozens and **dozens of true and godly members resigned in absolute frustration and anger** ... and were subsequently replaced by those sympathetic to Westcott and Hort's beliefs.

Instead of being a revision of the King James Bible, the Committee produced a brand new English 'Bible' based on the **corrupt Alexandrian texts and manuscripts**.

Today, scholars had proven over and over again, how corrupted the Revision Committee's Bible really was ... but this has been the **basis for all modern Bibles ... especially the New King James Version**.

YES ... CHRISTIANS ARE READING BIBLES PRODUCED BY TWO NON-CHRISTIANS ... BURNING IN HELL!

But here's the thing ... How do you poison someone? Little by little.

How do you spiritually poison a Christian? Give them a New King James Version.

How do you spiritually poison little children? Give them a New King James.

Now if athletes, mountain climbers and welders only use the best equipment, **what are Christians doing mucking about with the New King James version !!!???**

Dear Reader you know the tune to the nursery rhyme?

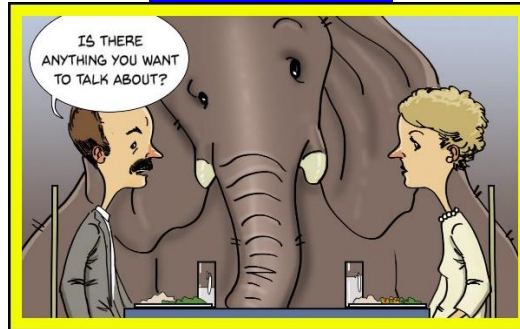

**"Here we go down the Slippery slide,
Slippery slide, Slippery slide,
Here we go down the Slippery slide,
So early in the morning."**
